[Reset Password](#)

If this is your first time taking a class with us, please select create account

If you have taken a CE class before, please select Reset Password follow the instructions on the website. Then, skip ahead in the instructions until you see the main account page

Informational Note 3: This is for new applicants for the apprenticeship, please disregard

[Welcome to the new Web Services](#)

**READ CAREFULLY**

**NEW APPLICANTS:**

- Please verify you met all the minimum requirements to apply.
  - If this is the first time using the online Web Services, click "Create Account" and enter the required information to begin.
  - After submitting, you'll receive a verification email, this will send you an email, please verify your email address promptly.
- Once the email address is verified, your account will be created and pending.  
**Important:** Your account will remain pending until we receive the applicants Official Sealed High School Transcripts.

Official Sealed High School Transcripts are reviewed every Friday.

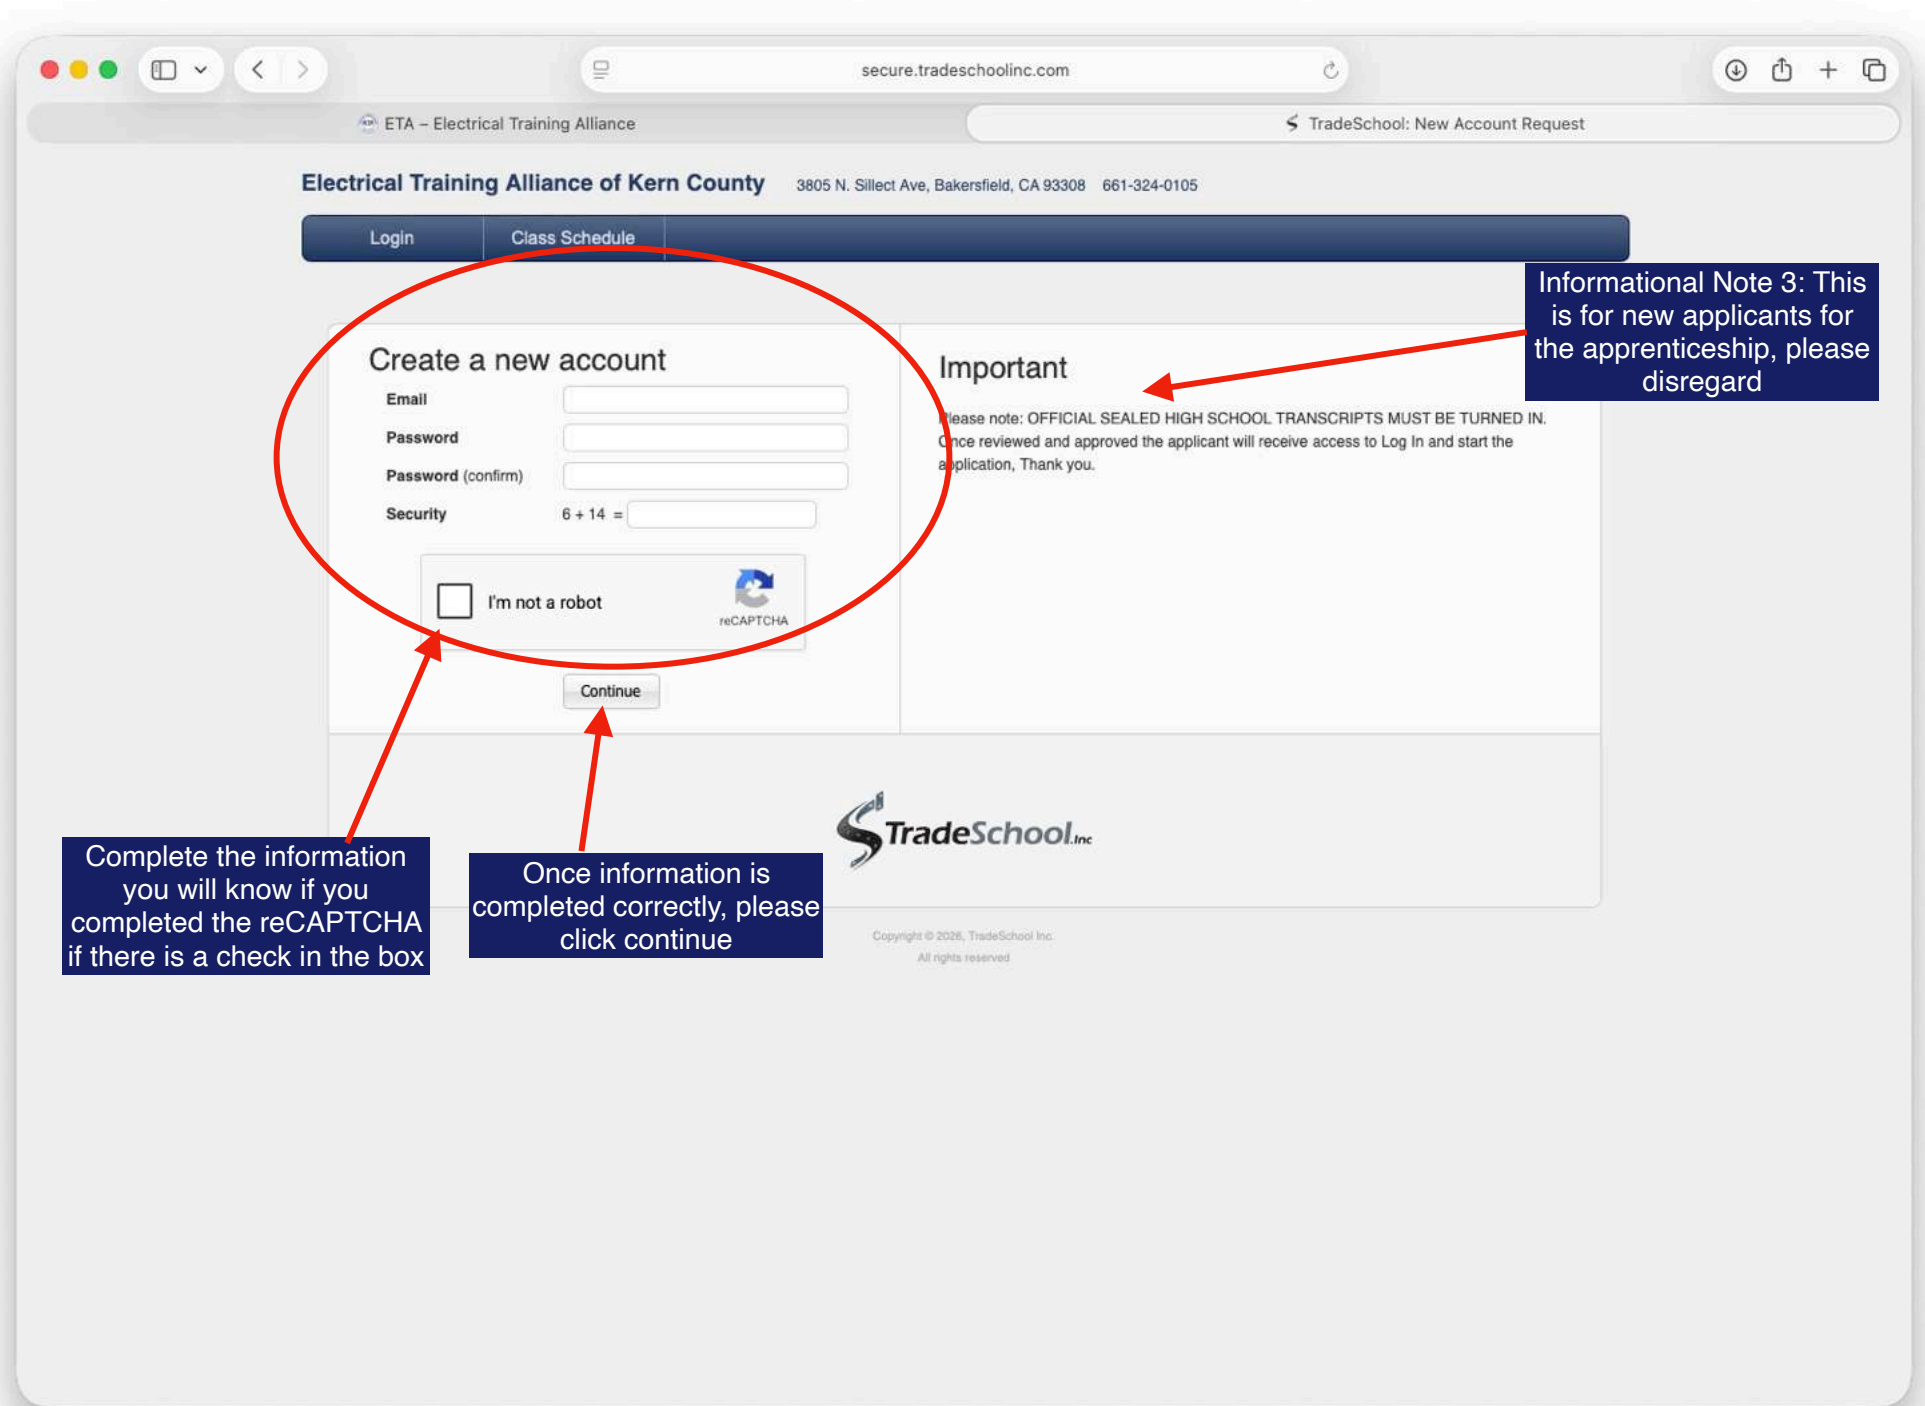

- Once the transcripts are reviewed and if approved, we will activate the account. The applicant will then be able to log into our website and begin the application process. Please make sure to carefully read all the instructions prior to starting the application. The application process consists of Steps 1-5. Once you've completed all the steps, the next step is to **wait for an email with the Scheduled Aptitude Test date and time.** (can take 3-9 weeks) We appreciate your patience.

**Important:** If your transcripts are not approved, we will notify you by email with the reason and instructions on how to proceed.

**APPRENTICES:** Use your email address that we have on record to log in. If you need to change your email address let the office know. You can reset your password at any time by selecting "Reset Password". Web Services will give you access to your work hours, grades, employment history and more. We encourage you all to take advantage of this service.

**JOURNEYMEN:** Web Services will allow to access records of any certifications that you hold and the expiration date. Follow the same process for logging in as the apprentices. If you have any problems, call the apprenticeship office to verify your email address.
